III. Details about Professional Experience

Please indicate below the most important steps in your professional career

Company Name, Industry, Area of Responsibility, Duration

IV. Details about Area of Responsibility and about Recent and Future Challenges

Please use a separate sheet of paper for a brief description including the following points: a) the company you work for, b) your current professional challenges, c) your future professional development, d) your motivation to conduct the REM-HSG programme, e) your expectations about the REM-HSG programme, and f) your personal interests such as hobbies etc.

V. Application Deadline/Fee

Applications will be considered in incoming order. Please consider application deadlines on www.es.unisg.ch/rem and contact rem@unisg.ch as early as possible. An application fee of CHF 250.– is to be paid. Admission to the programme will be decided based on a thorough selection procedure.

VI. Dates and Tuition Fee

Module 1: 13.03.–17.03.2023

Module 2: 19.06.–23.06.2023

Module 3: 28.08.–01.09.2023 (Berlin, Germany)

Tuition Fee: 12.500 CHF (Early Bird Fee: 9.800 CHF)

In the case of an insufficient number of participants, the programme director reserves the right to cancel the programme. The cancellation of the programme relieves the participant from all payment obligations. Payments that have already been contingently received will be reimbursed. The University of St.Gallen itself is free of any obligation in this case.

VII. REM-HSG Contract Terms and Confirmation by Candidate

I hereby apply for the Certificate of Advanced Studies in Renewable Energy Management (REM) from the University of St. Gallen (HSG). If I am admitted, this application is also considered to constitute binding registration for the programme. I acknowledge and agree that admission to the academic programme is granted based on this application and confirm that I have provided all information truthfully.

The total programme fee is CHF 12.500,-. Individual payment models and installment payments are permitted by arrangement with the academic programme director. Tuition and fees are due no later than 20 days after receipt of the invoice.

The programme fee covers tuition, teaching materials (printouts, books, case material etc.), two coffee breaks incl. snacks per day, and dinners at social events. Additionally the access to the REM-HSG network is covered. Hotel and travelling costs, lunches, further board or costs for personal communication are not covered by the programme fee. The tuition and fees do not include any portions or expenditures subject to value-added tax.

If admission to the REM programme is revoked until six (6) weeks before the start of the programme, a fee of CHF 5.000,- will be charged. If admission is revoked later than six (6) weeks before the start of the programme, fees will not be reimbursed. In this case, applicants may enroll later, but are required to pay a processing fee of CHF 500,-.

The place of jurisdiction is St. Gallen, Switzerland (postal code 9000), and Swiss law applies.

Further, I confirm the accuracy of my details and accept that the evaluation will be based on this information (incomplete entries will lead to an inferior evaluation). I am aware that this diploma programme requires full attendance and that this may impose additional burdens for my professional and personal life, of which I accept full responsibility.

- I agree that my contact details and personal data (name, nationality, place of residence, e-mail address, name of employer, position) are shared with all participants and alumni of REM-HSG and alumni of EUM. I commit myself furthermore not to use the contact details of the others for commercial purposes.
